

Celebration Station Implementation Plan:

- All Celebration Stations should be set up to be visual from the front door.
- This is a House Warming party theme (Resist any Halloween/Seasonal decor) - Use featured color and patterns found in your decor, art and fabrics in the office/clubhouse
- All wrapped presents - this is a Christmas Morning Experience!! Wrapping paper should match the clubhouse/office decor
- Include extra wrapped gifts to celebrate with renewals
- No pre-qualification - This is gift with purchase! The gift is a thank you for saying yes, filling out an application and paying a deposit. If they are not approved it is our gift with the hopes they can qualify in the future.
- Budget - \$7 per box including wrapping paper and ribbon (get nice paper & ribbon - buy clearance items for \$4 - \$6) Look for items already packaged in a box.
- Shop at Ross, TJ Max, Tuesday Morning Inc., Target - (avoid Wal-Mart and the Dollar store)
- Add a home made or purchased Welcome sign OPTIONAL: Add refreshments - again avoid seasonal themes - this is a house warming party!!!!

Budget:

\$120 budget for 15 gifts and a welcome sign.
